

## Spare part list

The cartridge

Support pole

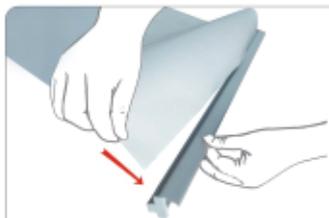

Graphic holder x2

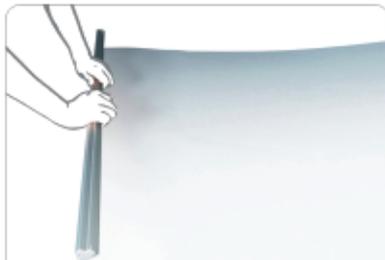

## Assemble Instruction

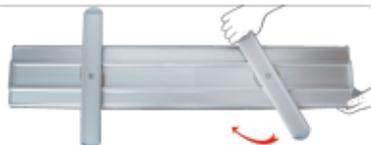

1. Open the graphic holder.

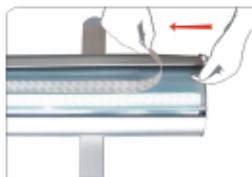

2. Put the poster into the gap of the graphic holder and then clip it.

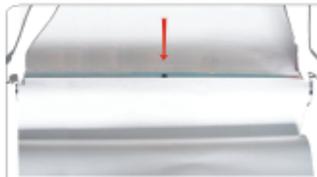

3. After setting the graphic, press it and install another graphic in the same way.

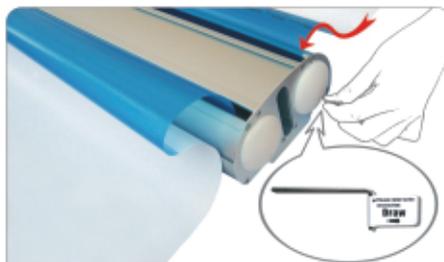

4. Open the feet as picture show.

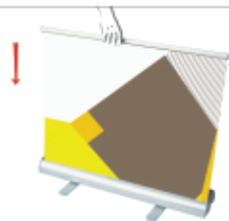

5. Tear out the adhesive tape from the PVC sheet.

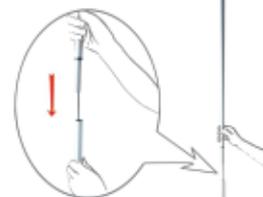

6. Stick the two graphics on the adhesive tapes respectively.

7. Hold the poster, pull out the lock pin, then let the poster scroll into the base slowly.

8. The whole poster scroll into the base.

9. Take the support pole link up to a whole pole along the direction of the elastic.

10. Insert the support pole into the hole on the base.

11. Pull up the graphic and put the two graphic holders into the groove in the support pole.
